There will be no PUBLIC LEDGER issued on Thanksgiving Day, November 25th.

There were three additions by confession last night at the Christian Church.

An item in Tuesday's LEDGER concerning the sales of 1909 tobacco at Maysville led the reader to believe that the farmers were delivering tobacco direct to the American Tobacco Company. The tobacco mentioned was merely that purchased by the A. T. Co. at the Loose Leaf warehouse across the way.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.

THE student of today is not asked if he has learned his grammar. Is he a mere grammar-machine, a dry catalogue of scientific facts, or has he acquired the qualities of manliness? His supreme lesson is to grapple with great public questions, to keep his mind hospitable to new ideas and new views of truth; to restore the finer ideals that are lost sight of in the struggle for wealth and to promote justice between man and man. He learns that there may be substitutes for human labor—horse power and machinery and books; but there are no substitutes for common sense, patience, integrity, courage.—Helen Keller.

and in manners that have not been known even to those Democrats who have been hereditary foes of Protection.

But Protection is going to survive. It is going to remain a living and vitalizing force not only in our political life, but in our individual and commercial lives. We are going to be more persuaded, not less persuaded, that our first concern must be for ourselves; that what we can do or grow or make of ourselves we should not look to other countries for.

The new South is going to have this as one of its cardinal doctrines. Southern Congressmen have not hesitated to proclaim themselves as being out and out Protectionists, and they have dared to say that in that policy lies the future greatness of that undeveloped section of the country.—Cedar Rapids Republican.

A Startling

Statement

New York Medical Authori-  
ties Claim Dyspepsia to  
be a Pre-Disposing  
Cause of Con-  
sumption.

The post mortem statistics of the big New  
York hospitals show that some cases of con-  
sumption are due, at least indirectly, to un-  
checked dyspepsia, especially when the victim  
was predisposed to tuberculosis.

Dyspepsia wears out the body and brain.  
The weakened, irritable stomach being unable  
to digest food, the body does not receive the  
required nourishment, and the victim becomes  
thin, weak and haggard. As a result, the body  
becomes a fertile field in which the germs of  
disease may lodge and flourish.

Therefore, the person who permits dys-  
pepsia to progress unhindered is guilty of  
contributing toward the development of one of  
the most insidious and fatal diseases known  
to mankind.

Dyspepsia may be completely eradicated if  
properly treated. I sell a remedy that I po-  
sitively guarantee will completely relieve in-  
digestion or dyspepsia, or the medicine used  
during the trial will cost the user nothing.

This remedy has been named Rexall Dys-  
pepsia Tablets. Certainly no offer could be  
more fair, and my offer should be proof po-  
sitive that Rexall Dyspepsia Tablets are a de-  
pendable remedy.

Inasmuch as the medicine will cost you  
nothing if it does not benefit you, I urge you  
who are suffering with indigestion or dyspepsia  
to try Rexall Dyspepsia Tablets. A 25-cent  
box contains enough medicine for fifteen days'  
treatment. For chronic cases I have two  
larger sizes, 50 cents and \$1. Remember you  
can obtain Rexall Remedies in Maysville only  
at my store—The Rexall Store. Thos. J.

PINKHAM  
CURES

Added to the Long List due  
to This Famous Remedy.

Camden, N.J.—"It is with pleasure  
that I add my testimonial to your  
already long list—hoping that it may  
induce others to avail themselves of  
this valuable medi-  
cine, Lydia E. Pink-  
ham's Vegetable  
Compound. I suf-  
fered from terrible  
headaches, pain in  
my back and right  
side, was tired and  
nervous, and so  
weak I could hardly  
stand. Lydia E.  
Pinkham's Vegeta-  
ble Compound re-  
stored me to health  
and made me feel like a new person,  
and it shall always have my praise."  
—Mrs. W. P. VALENTINE, 192 Lincoln  
Avenue, Camden, N. J.

Gardiner, Me.—"I was a great suf-  
ferer from a female disease. The doc-  
tor said I would have to go to the  
hospital for an operation, but Lydia E.  
Pinkham's Vegetable Compound com-  
pletely cured me in three months."  
—Mrs. S. A. WILLIAMS, R. F. D. No. 14,  
Box 39, Gardiner, Me.

Because your case is a difficult one,  
doctors having done you no good,  
do not continue to suffer without  
giving Lydia E. Pinkham's Vegetable  
Compound a trial. It surely has cured  
many cases of female ills, such as in-  
flammation, ulceration, displacements,  
fibroid tumors, irregularities, periodic  
pains, backache, that bearing-down  
feeling, indigestion, dizziness, and ner-  
vous prostration. It costs but a trifle  
to try it, and the result is worth mil-  
lions to many suffering women.

Troubles.**

If you suffer from backache—  
From urinary disorders—  
From any disease of the kidneys,  
Be cured to stay cured.  
Doan's Kidney Pills make lasting cures.  
Maysville people testify.

Here's one case of it:

M. C. Chisholm, 317 East Second street,  
Maysville, Ky., says:

"The cure which Doan's Kidney Pills effected  
in my case some years ago has been per-  
manent, and the testimonial I gave in their fa-  
vor still holds good. I was bothered a great  
deal by too frequent passages of the kidney se-  
cretions, this being especially annoying at night,  
when I was obliged to arise several times.  
Having my attention called to Doan's Kidney  
Pills, I procured a box at J. J. Wood & Son's  
Drugstore, and had only used them a short time  
when I noticed a marked improvement. They  
soon cured me, and I have learned of several  
instances where they have been used with good  
results."

For sale by all dealers. Price 50 cents  
per box. Milburn Co., Buffalo, New York, sole  
agents for the United States.

other.

## ROYAL BLUE

For Laundry Use.

Is a very high grade of bluing and specially  
prepared with the utmost care. Gives clothes a  
bright, fresh shade, with a beautiful lustre. It  
does not in any way streak the clothes, as these cheap,  
inferior grades do. Many of the finest laundries  
throughout the country use this bluing daily with  
perfect satisfaction. You will like it.  
One ten-cent powder, put into a quart of clear  
fresh water, will make you as much excellent  
bluing, in liquid form, as you pay 50 cents for,  
and of a much better quality. You can make  
half a pint of excellent blue ink by dissolving
